## FANFARO GSX 50 20W-50 6403

Universal economy-class engine oil, which is a mixture of synthetic components and a highly refined mineral base, for modern highly accelerated petrol and diesel engines with and without a turbocharger used in difficult operating conditions and engines with a very high mileage used in various operating conditions.

Product properties:

- Reduces the leakage probability and maintains the required oil pressure even for engines with a high mileage due to stable viscosity and excellent compatibility with sealing materials;
- Low volatility decreases oil consumption through burning;
- A thoroughly balanced additive package ensures an efficient service of an engine in all modes of operation: cold start, increased load (off-road and uphill driving, towing, driving with maximum load) and in high-temperature ambient conditions;
- Long-lasting oil film effectively protects from wear, reduces friction and prevents corrosion;
- Ensures reliable lubrication of all engine components under all operating conditions;
- Low ash content and good detergent and dispersing properties minimise the soot and carbon formation and keep engine components clean throughout the entire interval between replacements;
- Natural antioxidants effectively resist ageing.

Designed for the maximum protection of modern petrol and diesel engines of a wide car fleet (passenger cars, light SUVs, minibuses and light trucks) from Russian, European and other manufacturers.

The oil is not suitable for use in heavy trucks and similar vehicles!

### CORRESPONDS WITH REQUIREMENTS / SPECIFICATIONS / PRODUCTS:

**Specifications:**

SAE 20W-50

**Approval:**

**Recommendation:**

API SN/CH-4

**PACKAGES (ARTICLE NUMBER):**

5L (FF6403-5)

1000L (FF6403-IBC)

208L (FF6403-DR)

60L (FF6403-60)

20L (FF6403-20)

4L (FF6403-4)

1L (FF6403-1)

1L (FF6403-1ME)
